It's a Jungle Out There...

- Conflicts of Interest
- Bribery/Kickbacks
- Illegal Gifts & Services
- Campaign Ethics
- Fraud
- Nepotism
- Influence Peddling
- Dishonest Record Keeping
- Misuse of Government Resources
- Misuse of Authority or Status of Office

9

"Wrong-doing"

- The mere accusation of wrong-doing can:
 - Harm reputations
 - Drain morale
 - Hamper the ability to attract and retain top talent
 - Impair the delivery of public service.
- In an ethical mire - you are off message and off mission!

- It's easier to stay out than to get out....***

10

Real Topic: Public Trust

- “*Wrong-doing*” is often an **ethical rather than a legal concept**.
- To earn and safeguard **public trust**, public officials and agencies must not only comply with laws and regulations - but adhere to higher standards than normally expected or required.

11

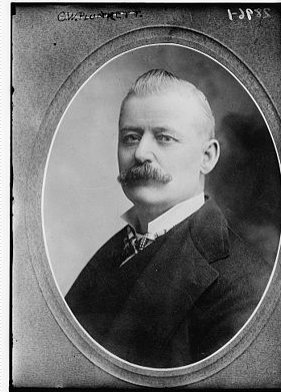

But...but....but... Rationalization

12

Exhibit A: Rank Rationalization:
N.Y. State Sen. George Washington Plunkitt
Tammany Hall, ~1905

- ❑ In one of his speeches, quoted in *Plunkitt of Tammany Hall*, he describes the difference between dishonest and honest graft: for dishonest graft one worked solely for one's own interests, while for honest graft one pursued the interests of one's party, one's state, *and* one's personal interests all together.
- ❑ "I seen my opportunities and I took 'em."
- ❑ **"I only practice *honest graft*"**

13

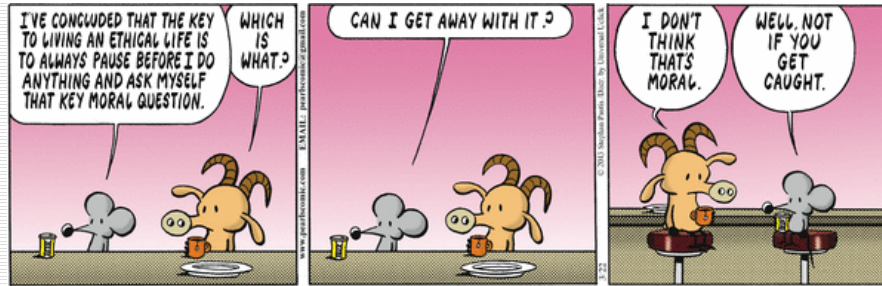

But..but...Justifications

- ❑ *"I've got it coming to me..."*
- ❑ *"No one will ever find out..."*
- ❑ *"After all, everyone else is doing it..."*
- ❑ *"This is the best deal for the organization..."*
- ❑ *"It had to be done..."*
- ❑ *"I can still be objective..."*
- ❑ *"If it's legal and permissible, it's okay..."*
